St. Paul's Epistle

JUNE 2026

Volume 22 Issue 6

A note from Pastor Tim...

Over the course of summer and into the season of fall, I selected a theme to focus on as a sermon series. This will consist of passages from Matthew's Gospel that fall outside of the lectionary. I am using Matthew because we are currently in Year A. What that means; these are selections from Matthew that are otherwise omitted, and you would never hear read or preached on when following the lectionary week to week.

This will begin the first Sunday after Pentecost, May 31st. By the time you see this, we very well may have already begun. I suspect many will be surprised regarding some of the content that is left out, that you never noticed isn't regularly incorporated into the worship experience. This will serve as an excellent learning opportunity and a means to gain additional context to the better-known stories you are accustomed to hearing.

Pastor Timothy Holt

Let Freedom Ring celebration is a national Independence Day tradition, authorized by Congress in 1963, calling for bells across the US to ring 13 times on July 4th at 2:00 pm EDT to honor the original 13 colonies. The ceremony, often featuring a solemn 13-count bell toll, celebrates the 1776 signing of the declaration of Independence.

The National Bell Festival encourages bells and bell towers across America to ring out together on July 4th, 2026, at 2:00 pm EDT creating a canopy of sound over our nation. Cathedrals and churches, community organizations and historical structures, national parks and memorials, and people from all states and territories are encouraged to gather and contribute sound.

On July 4th at 2:00 pm EDT in celebration our continued freedoms, **The America 250—Dubois County Committee** invites all to ring bells 13 times then peal (rapid ringing) their bells for 76 seconds.
